H. E. I. BOARDMAN, Principal.

CUMBERLAND, March 6th, 1856.

To the Honorable

The Speaker of the House of Delegates of Md.

Sir:—I herewith send you the report of the Principal of Allegany county Academy, just made to the Board of Trustees, and ask that you will lay it before the House of Delegates. The Allegany county Academy is now in a very prosperous condition. Some three or four years ago, the Board of Trustees with the aid of liberal contributions on the part of our citizens, erected and furnished an Academy building, large and commodious, sufficient to accommodate some two hundred pupils. The Board have also from the same source provided for the Academy suitable Chemical and Philosophical apparatus. As you will see by the report of the Principal, the required number of “free students” have been constantly in attendance.

The Board of Trustees make the report of the Principal of the Academy, part of their report to the Honorable Body over which you preside.

All of which is respectfully submitted.

THOMAS I. MCKAIG, President

Board of Trustees Allegany County Academy.
